Subject: Reply to Intimation regarding generation of Duplicate e-Way Bills for the same tax invoice
Ref.: Date: 24/02/2026 [GSTIN: 24AAVFP8357L1ZB]

Respected Sir,

With reference to the above subject matter regarding generation of two E-Way Bills against the same invoice, I respectfully submit the following clarification.

I had issued Invoice No. **150** dated **14/10/2018** for supply of goods.

I am myself only handling the routing Sale invoice & Eway bill procedure. While generating the **1st E-Way Bill No.601046643233 prepared at 01:54 pm Dtd.14-10-2018**, I erroneously made E-Way bill in the name of "**SAVAN COSMETICS (24AQJPP3225B1Z9)**".

However, in few minutes I rechecked the documents & realized that recipient's name is incorrect, as there were no such goods supplied to SAVAN COSMETICS (24AQJPP3225B1Z9), Upon realizing my error, I immediately generated a fresh corrected **2nd E-Way Bill No. 611046644750 prepared at 02:07 pm Dtd.14-10-2018**, mentioning the correct recipient name as "**VEERA PACKAGING (24ARPPD3985M1Z7)**".

Also, April 2018, E-Way Bill system had been newly introduced, and it new for all the GST Dealers, same manner I was not fully conversant with the procedural and technical aspects of generating and cancelling E-Way Bills on the portal.

However, due to lack of knowledge and unfamiliarity with the cancellation procedure at that time, I failed to cancel the 1st incorrect E-Way Bill within the prescribed time limit.

I respectfully submit that **the duplication of the E-Way Bill occurred purely due to an inadvertent clerical error and a lack of familiarity with the newly implemented Eway bill system**. There was absolutely no intention to evade tax, suppress turnover, or misrepresent facts. The invoice value, tax amount, and goods transported remained unchanged, and the transaction has been duly recorded in my books of accounts and reflected in the GST returns. There is no loss of revenue to the Government.

In view of the above facts, I am attaching herewith copies of Tax Invoice, Delivery Note, Correct E-way bill for your ready reference and record.

I humbly request your good office to look into the matter and drop the proceedings, as the lapse was purely procedural and unintentional in nature.

Thanking you,

For PARTH TRADELINK
